

## Bespoke Weekend Wedding at Gravel Farm

Date: 2023

Guest numbers: c.80-100

It's important that you realise and understand that creating your own wedding celebration isn't going to be a cheaper way of doing it.

However, what you get is a totally bespoke weekend, and you get more time – a weekend rather than a day and a night.

Below is a list of ballpark figures for a traditional wedding celebration. Prices completely depend on what you want and how much you want to spend, so specified is a top end and lower end price for some of the categories.

Bear in mind that there will be other costs that are not mentioned below, and these include your dress, shoes, bridesmaids attire, suits, ties etc. It's important that you include these in your budget calculations:
